Jeff:

I have done some more research on this request and the "sections" that you gave me for Lafayette county are a sufficient description for purposes of this draft but there are no sections listed for the part of the corridor that goes through Grant county. I can go ahead and prepare this draft with this description but I just wanted to make sure that you knew that there will be no reference to the sections of the corridor in Grant county. If you would like me to

proceed, let me know if you still want to include a sale completion date. Please give me a call if you would like to discuss this in more detail.

Thanks.  
Robin

Robin,

Could you please re-draft the attached bill for Rep. Tranel. Also, please make the changes noted. Rep. Tranel would like to have this done ASAP. Please let me know if you have any questions. Thanks, Jeff Curry – Rep. Tranel's Office
